ETCH™

DECORATIVE FABRIC

ETCH™
DECORATIVE FABRIC

Etch is a visual layer of expression, a wall fabric combining design, colour and texture. Available in a palette of 28 colours, choose from 15 standard patterns or Etch your own custom design.

Etch is suited for overlaying directly to your chosen surface or choose to incorporate one of Autex's acoustic backing options to provide a selectable range of acoustic absorption.

Etch is a decorative, functional and durable interior finish suitable for commercial offices, theatres, libraries, retail, hospitality and education spaces.

Etch represents Autex and our commitment to innovation; Etch, create great space.

APPLICATIONS

- Decorative and functional wallcovering for education, commercial offices, theatres, libraries, retail, and hospitality sectors
- Custom pattern design available
- Use in conjunction with other Autex Interior Acoustic products for a complete interior solution
